

Roll-A-Grace *for mealtime*

Roll-A-Prayer *for bedtime*

ENCOURAGE FAMILY PRAYER

Simply fold in the flaps to make your 'prayer dice'.

Families, keep *Roll-A-Grace* on the meal table and *Roll-A-Prayer* beside the child's bed.

Roll the sturdy prayer cube and pray the prayer on top.

The 'game' element helps parents introduce prayer into family life and encourages young children to take the initiative in praying. The simple rhyming prayers are memorable for children.

This resource is ideal for sacramental preparation programs. Parishes and schools are encouraged to buy in bulk to provide prayer help to families at this special time.
